

St Catherine's School & College

*Specialists in Speech, Language and
Communication Needs*

Vision

Our vision is to continue to be leaders in delivering integrated education, therapy and care for young people with Speech, Language and Communication Needs, empowering individuals to be happy, healthy and confident in their future lives.

Mission

Our mission is to provide personalised learning and care underpinned by onsite speech, language and occupational therapy so that every young person achieves their learning potential and maximises their communication and life skills. We will use our beautiful and vibrant coastal setting, supportive local community and dedicated staff to help us to develop happy, healthy and confident individuals.
